

smote waldo || smote it again sam || i  
smote therefore i am || smote 'em if ya  
got 'em || smote happens || smote da  
police || smote you, i won't do what you  
told me || i came, i saw, i smote || don't  
smote the boat || don't rock the smote ||  
smote, don't breed || smote the one  
you're with || smote thyself || so many  
people to smote, so little time || dare to  
be smote || when i think about you i  
smote myself || smote me like a  
hurricane || smote me tender || don't  
smote me in || smote la difference || i  
know you smote, but what am i?
